of the European Union

We also had an experience
seeing views which aren't
available in Latvia.

We gained some experience by
working hard and we learned
new techniques.

We had a chance to see their
approach to wood use.

I had a chance to work with
experienced people who have
worked in the industry for
several years.

I also had to help them in the barn.
From feeding the cows to taking care
of goats.

Then the next weeks i worked in my
bosses house. I helped removed stuff
and get it ready for renovation.

I was with a practicum from
Lithuania and we talked english
all the time.

Living for me there was
decent because the beds
were comfortable and the
bathroom modern.
